EXPERIENCE

Crew member   **2024-Present**
Papa Murphys   **Richfield, UT**

At Papa Murphy's, I honed my skills in pizza preparation and customer service. My role involved crafting high-quality pizzas with a focus on fresh ingredients and attention to detail. Key responsibilities included:

- Pizza Preparation: Expertly assembling pizzas to customer specifications, ensuring consistency and quality in every order.

- Customer Interaction: Providing excellent customer service by engaging with customers, addressing their needs, and ensuring a positive and quick service.

- Kitchen Management: Maintaining a clean and organized workspace while managing inventory and adhering to food safety standards.

- Team Collaboration: Working effectively with team members to ensure timely and accurate order fulfillment, contributing to a smooth and efficient kitchen operation.

My experience at Papa Murphy's strengthened my ability to work in a fast-paced environment, developed my teamwork and communication skills, and enhanced my problem-solving abilities—all of which are valuable in any professional setting.

Align Precision   **2022-2024**
Chemical Operator   **Cedar City, UT**

- Automated Processes which increased efficiency across the board by 25% while adhering to customer requirements.

- leveraged previous experience in anodized aluminum to easily adapt to a new environment to provide top tier collaboration .

- Experience working in Agile with daily standups .

- Communicated effectively with coworkers and management in order to leverage previous experience and create efficiencies in the business.

EDUCATION

Certificate in Full Stack Web Development

University of Utah   **Salt Lake City , UT**
